NEC3 ECC Project Manager Accreditation

NEC Experience:

I have worked on various highly profile Projects like Heathrow Terminal 2, High Speed 1, Crossrail Western Outer Track Infrastructure and currently working on High Speed 2 Main Works Civils Area south Project. I have gained experience on dealing with different NEC 3 options while being commissioned on aforementioned projects mainly Option C, D and E. I have recently attained NEC3 PM Accreditation and would like to mention that the course was really helpful in gaining understanding on how other options work.
