Specialist Registers:

NEC3 ECC Project Manager Accreditation | NEC4 ECC Project Manager Accreditation

---

NEC Experience:

I perform the role of Project Manager on numerous Civil Engineering projects and also multi-discipline projects comprising an integrated design team.

I have successfully delivered many projects using NEC3 Short Contract and NEC3 ECC Options A&B. I also have experience of delivering Professional Services under the NEC3 Professional Services Contract.

I have completed the following training:
• ICE Law & Contract Management Course (2014)
• NEC Contract Management Exam (2014)
